

# SUNDAY BALL'S FATE TO BE DECIDED TOMORROW

## NEWMAN BILLIARD CHAMP

NEW YORK, April 11.—Arthur Newman, of Brooklyn, N. Y., state amateur billiard champion, won the national title here last night, when in the national three-cushion carom championship he defeated Earl Patterson, of the Chicago Athletic association, 36 to 31, in 82 innings. He made a run of 15 in the seventy-third and scored 25 points in the last 17 innings.

## RAY SETS NEW RECORD.

CHICAGO, April 11.—Joe Ray, national A. A. U. mile champion, established a new world's indoor record of 4:14.5 for the mile last night in the central A. A. U. championships being held under the auspices of the Franklin A. C. The old mark was 4:16. Jo Loomis, representing the Chicago Athletic association, took the high jump by clearing the bar at six feet.

## MEN GOLFERS AT COLONIAL GET STARTED

Saturday the Qualifying Round for Fourth Play for Scholard Trophy Will Take Place.

THE FIRST men's golf tournament will be on at the Colonial Country club Saturday, April 12, being the qualifying round for the fourth play for the Scholard trophy, having been won first by John R. Kline, second by Jerome P. Parker and third by John R. McElroy.

This is a very handsome silver trophy and has always brought out a large field. In Saturday's qualifying there will be a prize for low gross score and one for low net score.

Mr. Scholard was a former president of the club and before leaving for New Orleans, his present home city, he donated this trophy to the golfers of the club.

The golf course is now in great shape. The unusually beautiful weather of late has caused the fairways and putting greens to be in mid-summer condition.

**Will Be Handicap Affair.**  
The Scholard trophy play will be a handicap affair and all players have a chance.

The new showers will have been installed for this event, and, weather permitting, a very large crowd is expected.

The next tournament will be the annual club championship, starting May 10, when the new putting greens will be coupled up and some great golf is expected.

**CRACKERS BEAT SOLDIERS.**  
At Atlanta, Ga.—Seven innings (rain):

Score: R. H. E.  
Fort McPherson..... 0 2 3  
Atlanta (Southern association) 4 5 0  
Killinsworth and Zahmer, Hasty; Hasty, Roberts and Rawson, Marat-fine.

## PAL MOORE EASILY DEFEATS HERMAN

Pekin Kid Proves a Setup for Memphis Bantam.

RACINE, Wis., April 11.—Pal Moore, Memphis bantamweight, found Pekin Kid Herman as soft a proposition as a velvet cushion here last night, defeating Herman in every round of the 10. Herman was unable to touch Moore at any stage of the battle, while Pal hit Herman so many times that he wore out of his feet. Moore was never off his feet and never failed to stand up and take all Pal had, he was no match for the Memphis kid, who slammed him around the ring in merry fashion in every round.

Herman had a haymaker up his sleeve and he tried vainly to put it over on Pal but Moore was always out of range when Herman let fly with his left. He continued along the same line throughout the bout, and when the bout was over it was the unanimous opinion of newspaper writers at the ring side that he had decisively licked Herman in every round. Moore tipped his hat to the referee, while Herman entered the ring two minutes later.

Pal left here last night for Memphis, where he meets Young Sandow, of Cincinnati, in an eight-round affair Monday night.

## REPORTING BY BOB PIGUE

RESIDENT JOHN D. MARSH, of the Southern league, has returned from Nashville after a sojourn of several days, where he has been getting over the ground in the Sunday baseball case, which is to be decided tomorrow by the supreme court of the great state of Tennessee.

The league president states that he is optimistic over the possibility of a favorable decision by the supreme court relative to Sunday ball in Memphis, Nashville and Chattanooga. He confidently expects the supreme court to fall to sustain the court of civil appeals, which has barred the national game on Sundays in Nashville, which would automatically affect Memphis and Chattanooga.

President Marsh and Wm. C. Cherry, who latter a director in the Nashville club, have been handling the case for the southern league and have presented to the honorable court all facts pertaining to the matter.

The decision will be rendered at the Saturday sitting of the supreme court.

Tr Cobb hit a home run on his first time at bat this season. Looks like he'll again lead the Johnson league with the stick.

**RED STILL ABSENT.**  
Red Smith, who has been designated as the first baseman of the Tribe this year, is still missing, and unless he shows up shortly it is not out of the range of probability that De-Haney will be given the job as regular catcher this season.

Red was supposed to have been on the way to Memphis three or four days ago, but he has evidently been caught by some driftwood and has not yet made his appearance at Ruswood.

Red is needed just now to help coach the young pitchers, and every effort is going to be made to locate him right away and get him here if he intends coming at all.

Francis Griffin, Chick first sacker, outfielder, infielder and general handy man, has a nickname. And here it is: "Pug." Griffin derives his nickname from the same source that Pug Cavet got his, namely, his turned-up snout.

Hughy Fullerton, the wild man of baseball, has started his figgering again and the first dash out of the box he states that figured to a gnats' bristle, Gene Paulette is the worst first baseman in the National league. Back to your padded cell, Hughy.

Something is wrong with the Atlanta Crackers this year. Atlanta scribes haven't picked the Crackers to win the 1919 pennant as yet and this is April.

**BILL A SERGEANT.**  
Bill Roucher, who used to propel the baseball at Ruswood as a member of the Chicks and who has been on a number of clubs since leaving Memphis, has just returned from overseas, where he got a chance to bat against the Hun. Bill was promoted to a sergeant while in the service.

Bill will pitch for the Little Rock Travelers this season, having signed with Kid Elbert.

## TRIBESMEN LOAF THURSDAY, BUT WORK TODAY

Several Newcomers Looking the List.

BY BOB PIGUE.  
WITH NO GAME scheduled, Cy Barger's Chicks took things easy yesterday, and did not go out to Ruswood at all. The ground was too wet, so they took in the movies and vaudeville shows.

Several of the Tribesmen are suffering with sore muscles as a result of the exhibition games played with Louisville College, and the big rain storm and the accompanying cold weather will prove more of a help than a hindrance, in that it will give them time to recuperate before the St. Paul Saints get here tomorrow.

Chief Barger is still under the care of the club physicians with his injured arm, and it will be three or four more days before Cyrus can again see as he did before Joe Slattery tossed a baseball into the locker. Cy has suffered considerable pain from the injury, but it is not believed that the sight will be impaired.

Some Tribesmen Look Good.  
Some of the Tribesmen now in camp look good, and some others do not look so good. Joe Slattery, who is slated to pitch for the Tribe today, is having a hard time getting his batting eye in focus and in the exhibition games played with the Louisville College, Joseph was unable to do any great amount of damage to the Colonial pitching. Slattery is the greatest fielding first baser in the Southern league and he made stops and throws that would have done credit to Hal Chase.

Denio Paulette and other big ring door-men. But Joe can't get started hitting. He is trying hard to overcome this obstacle and he believes he'll be ready to smash any kind of pitching by the time the season opens.

One of the most promising youngsters that the Southern league has ever had is Frank DeHaney, the big catcher Charley Frank sold to the local club. DeHaney comes to the Tribe from Camp Gordon, and if there's anything in the spring showing of a youngster, DeHaney is certain to develop into a man worthy of a trial at a big league berth. He is big of body and has arms like saw logs, being unusually powerful and a glutton for work.

The big boy, though a youngster, looks all the world like a seat catcher, and he is in the game all time, with more pep and life than has been seen at Ruswood during the past 15 years. DeHaney is a Bill Killefer and Hal Schals rolled into one, and when the rough spots can be eliminated he'll be worth a big price to some big league team.

**High and Conway Also.**  
Andy High and Dick Conway, who are taking care of the shortfield and second base, respectively, are another pair who are looking exceptionally good in spring training. These two birds have had but little professional experience, but they are hustling out there all the time and will be able to keep up with the Dixie major standard this season. They are both full of pep and life, and they take a healthy cut at the ball and Cy Barger has evidently picked a pair of peaches in these two.

Frank Griffin, who is now stationed in the outfield, will prove worthy of his hire this season, for he will be able to play anywhere he may be needed and acquit himself well. Griffin is a first baseman by preference, but with Joe Slattery on the door, Griffin hasn't had a chance to break in at that corner. Chief Barger has about made up his mind to keep Slattery at first and as Griffin can play any position he will be used as the Tribe's handy man.

Hugh Canavan, the Tribe's portender, bought from the Boston Braves, will be one of the regular moundmen this season and will be the only left-hander carried by the Chicks. There are several other youngsters trying out for berths and some of them look promising, but Canavan has had considerable experience and should be able to qualify.

## BASEBALL STARTED BY PREP SCHOOLS

Normal vs. Union and M. U. S. vs. U. of T.

Memphis prep school baseball teams will get under way today.

West Tennessee Normal will go up against Union University, Jackson, in the first of a two-game series, on the Normal campus, while the University of Tennessee will meet the Memphis University school aggregation.

The lineup of Normal will probably be Moore, c.; Patrick, p.; Aycock, 2b.; Loake, 1b.; Crawford, 3b.; Craig, 3b.; Wilson, Faulkner, Farnsworth and W. P. Patrick, outfield.

The M. U. S. lineup will probably be Warwick, p.; Perkins, 2b.; Cresson, cf.; Laurie, 1b.; Hodges, Hussey, rf.; Ivy, 3b.; Smithwick, ss.; Pfeiffer, c.; and Mason or McDickrick will pitch.

**ATHLETICS WIN.**  
At Philadelphia, Pa.—Kendall, semi-professionals, 4; Philadelphia Americans 12.

## MRS. FOWLER VICTORIOUS

With a low gross score of 105, Mrs. E. L. Fowler was victorious over a field of eight at the Colonial Country club yesterday in the regular women's play. Mrs. Frank Dooley was second.

On account of wet greens the Memphis Country club players did not compete, but will stage their regular women's tournament today.

Bill will pitch for the Little Rock Travelers this season, having signed with Kid Elbert.

The Chattanooga Lookouts can't see where Tommy Leach gets off, that he is a free agent and that he will play with Shreveport. Manager Sammy Strang Nickles says he wants Leach to stick with the Lookouts and that he's going to stick to Leach like a leech whether Leach sticks to him or not.

**SANDOW WAS A BUCK.**  
Sammy Sandow, the midjet mitt wielder who is going to meet Pal Moore, the Memphis wisard, at the New Lyric theater Monday night, has been in the army during the past 10 months, serving on this side of the water.

Sammy says he was a buck private in the rear rank and that he never had any aspirations to any higher, being content to do his bit as a buck. Sandow was in camp at Camp Zachary Taylor, Louisville, Ky., where he assisted Pauley McFarland in coaching Uncle Sam's Yanks how to box. Sandow said he took some of the hardest punches of his life in trying to reach some of the Kentucky mountaineers how to hit, and that there were few of them who needed any instruction in how hard to hit, for they could knock a nule down with their own hand.

Sammy says he feels much benefited by his army service and that he expects to go right on to the top among the bantam butlers from now on, beginning Monday night with Pal Moore.

Walter Golvin, who is slated to play first base for Mobile this season, is in Vladivostok with Uncle Sam's army, but stated in a recent letter that he expected to sail for the United States within a short time and would get back in time to join the Bears by May 24.

The Bears have signed a first-baseman Brown to care for the door until Golvin gets back.
